The third World Day for Grandparents and the Elderly will be celebrated this year on Sunday, 23 July 2023. Pope Francis inaugurated this World Day to be celebrated by the universal Church each July, either on or near the liturgical Memorial of Saints Joachim and Anne, grandparents of Jesus, to help "treasure the spiritual and human wealth that has been handed down from generation to generation."

The theme chosen by Pope Francis for this year's World Day is "His mercy is from age to age" (Luke 1:50), underlining the relational interconnection between old and young.

**MARRIAGE TIP OF THE MONTH** -- When we say "I do" during our marriage vows we are really saying "I will". I will love this person even in moments when they may feel unlovable. I will not look for a 50/50 split in what we do, but will be a partner who will give more, and sometimes have to take more, depending on the circumstances of our lives. I will look to find a solution instead of winning. I will spend time with you so we stay connected and in love. I will remember the commitment I made to be faithful and seek to make you a better person and accept your attempts to do the same for me. Marriage, taken as an action word, continues to grow and thrive despite the challenges life may throw at you and it produces a love that strengthens as the years pass. ## Prayer for Vocations

God, the source of creation and love, you invite each of us to serve you through the life which is your gift.  
May your grace encourage men and women to heights of holiness through service to the Church as married couples, priests, consecrated virgins, sisters, brothers, and lay ministers. Make me an instrument to encourage others to give of themselves and challenge me to do the same. Amen.

## Lives of the Saints

*St Henry (973 - 1024)*

*Feast day July 13*

He was born in Bavaria in 973 and succeeded to the dukedom at the age of 22. He became Holy Roman Emperor in 1014. He was noted for his support for the reform of the Church and for his encouragement of its missionary activity. He set up many bishoprics, and he and his wife Cunegunda founded many monasteries. He died in 1024 and was canonized by Pope Eugenius III in 1146.

*Saint Camillus of Lellis (1550 - 1614)*

*Feast day July 14*

He was born in Italy of a noble family. He became a soldier but his taste for gambling and riotous living eventually lost him everything. At the age of 25 he converted as the result of hearing a sermon. He twice tried to join the Capuchin friars but was rejected because of his poor health. Having had experience of hospitals from the inside, he determined to improve them, and he devoted the rest of his life to the care of the sick. He offered himself to the hospital of San Giacomo in Rome and eventually became its bursar. Hospitals were as filthy, and hospital staff as brutal and inadequate, then as they are in many places today. He introduced many reforms and founded a congregation of priests and lay brothers, the Servants of the Sick (later known as the Camillians) to serve the sick both spiritually and physically. He was ordained priest in 1584. He resigned as head of his congregation in 1607 but continued to look after and visit the sick almost until the day of his death.
